JAZZ DIVISION

The Music for all Summer Symposium Jazz Band curriculum allows students to participate in an immersive big band experience, while taking master classes/lessons with world renowned jazz artists. Classes include Jazz Improvisation, Jazz History, Jazz Arranging, and plenty of jam sessions!

Students come away from camp with much more insight into the music, the art of performing and the art of experiencing jazz! Students meet and get to know others from across the country who share their love of music-making and jazz especially. Each jazz ensemble performs in concert at the end of the week for fellow campers, family and friends on the final Saturday.

"EVERYONE knows you are going to have an incredible time at the Music for All Summer Symposium this summer! LOOK at the NEW things that the Jazz faculty have done this past year alone! I consider the teachers that work with you on a daily basis the most important element of why you should choose to go to a camp." – *Mark Buselli, Symposium Jazz Coordinator*
