2017 MUSIC FOR ALL SUMMER SYMPOSIUM

The Mark Williams Memorial Scholarship Fund for Educators was created in honor of Mark Williams (1955-2008) to celebrate his life and work as a great educator, composer and a beloved friend. The scholarship fund benefits music educators who are interested in attending the Music for All Summer Symposium but, due to financial hardship, cannot afford to pay the tuition and fees needed to attend this annual summer music camp.

Scholarships are awarded on the basis of financial need. It is the intent of the Music for All Foundation to provide a full-tuition scholarship, plus a travel stipend up to \$500, to **four** directors interested in attending the Directors' Academy. **Only director's at Title I schools (schools with an enrolled population of 40% or more students on free and reduced lunch) will be considered.** Our hope is the scholarship program will help to ensure that the Summer Symposium is financially accessible for all participants.

In order to hold a spot for applicants until scholarship applications can be evaluated, the camp application form needs to be submitted to Music for All. Scholarship recipients will be required to pay the remainder of the travel necessary to attend camp that is not covered by the stipend. Scholarship recipients will be notified by telephone of award by June 2nd.

Application Submission Requirements

1. Applicant must submit a 500 word essay addressing the following prompts:
 - a. Please describe the ways in which the Summer Symposium experience will help you become a better music educator and how you will utilize what you learn during the camp.
 - b. Please describe the positive influence music and your music education experiences have had on your life.
2. Include your school music program budget, specifically drawing attention to your schools policy on funding for professional development. Only directors from **Title I** schools will be considered.
3. Completed camp application form turned into Music for All.
