BANDS OF AMERICA DRUM MAJOR INSTITUTE

For four decades, student leaders and band directors have looked to Bands of America for the latest in marching band performance and leadership training. The Bands of America Drum Major Institute will **INFORM** and **INSPIRE** outstanding student leaders, uncovering their innate musical abilities and personal character strengths, while simultaneously providing new skills and perspectives. **CORE** Teaching Principles – Character, Content, Communication, and Chemistry – permeate every aspect of our program. DMI presents a sound and modern curriculum, designed to equip young leaders with advanced leadership techniques for use both in band and in life. Taught by the best educators and leaders in music education, DMI is for veteran drum majors, new drum majors, and any students aspiring to be drum majors. Students will learn musical and visual knowledge possessed by the most effective drum majors. Score study and concise conducting patterns, enhanced visual acuity and showmanship, teaching methods, and instructional insight will inspire and challenge all students regardless of their drum major experience.

DMI helped me understanding the responsibilities and work ethic of being in a great leadership position.

It was one of the greatest experiences I could wish for, and I cannot thank you all enough!

The feeling of comradery & companionship that was there from day one & only grew as the week progressed.
