# LEADERSHIP WEEKEND EXPERIENCE

**Music Students (Band, Choir, Orchestra):** Interact with student leaders from across the country at one of the premier two-day leadership programs created specifically for music students. Immerse yourself in a non-stop, interactive, leadership learning lab you simply will not find anywhere else. All students experience immersive and interactive leadership learning all weekend long with rotating large-group, small-group, and experientially-engaging sessions. Discover why we develop more student leaders in the music education world who truly make things happen and take the lead.

**Directors:** Do you want more of your students to participate positively in your program? Can you imagine what would happen if all your student leaders constructively brought to life the leadership lessons you talk about? At Music for All's Summer Symposium we turn talk into action, involving your students in many unforgettable, hands-on activities for team building, problem solving, and leadership learning.

**Parents:** Did you know research shows pre-college leadership experiences predict most of the variance in college leadership outcomes? That means when students learn to lead in high school, their success in college leadership opportunities increases significantly. Give your student the positively life-changing experience of developing more of their future long-term leadership potential at the Leadership Weekend Experience.

**No one needs a title to lead! And no one needs a title, or some pre-selected/designated leadership position, to attend this program either!** Any student who wants to make a difference in their band, choir, orchestra, school, or community can join us June 23-24, 2018!

**Fran Kick** and a fantastic faculty of student leadership educators will inspire students to *Kick It In® and Take the Lead*. Having worked with Fran for over two decades, Music for All shares in his passion and mission to develop student leadership in all students, rather than just let it happen with a selected few. Find more details at [www.musicforall.org/leadership](http://www.musicforall.org/leadership)

*“I loved how they gave us so many tools and not only told us how to be leaders, but showed us how. It has definitely changed my life and I can't wait to come back.”*
