COLOR GUARD DIVISION

High school students with a passion for color guard: You won't want to miss the Music for All Summer Symposium. Music for All's color guard curriculum provides time with leading instructors and immerses students in hands-on, experiential learning opportunities. The Symposium brings together the rock stars of color guard, the leadership in the marching arts activity of Bands of America, and Music for All's mission to create positively life-changing experiences, in order to provide the ultimate learning environment.

Differentiated Instruction

The Color Guard division will offer different levels of instruction in both equipment and dance that will help students develop their skills at the level that best fits their needs. This learner-focused curriculum will help every camper come away feeling stronger and more confident!

Master Class Opportunity

Those campers who demonstrate a high level of performance and skill on all three pieces of equipment and dance may audition to participate in our Master Class. This fast-paced division of our Color Guard division will challenge the most seasoned of performers, and will provide opportunities for those students who have mastered the basic color guard and dance skills.
