JAZZ DIVISION

The Music for All Summer Symposium Jazz Band curriculum allows students to participate in an immersive big band experience, while taking master classes and lessons with world renowned jazz artists. Classes include Jazz Improvisation, Jazz History, Jazz Arranging, and plenty of jam sessions!

Students come away from camp with much more insight into the music, the art of performing and the art of experiencing jazz as well as better sight reading, improvisation and theory chops! Students meet and get to know others from across the country who share their love of music-making and jazz especially. They will have the time of their life! Each jazz ensemble performs in concert at the end of the week for fellow campers, family and friends on the final Saturday.
